

COVID-19 UPDATE

Dear Valued Customers,

At Niagara Pizza, the well-being of our employees and customers is extremely important to us.

As a trusted name in delivery/takeout pizza in Ladner, we are committed to being a responsible member of our communities amidst this ongoing COVID-19 outbreak.

For this reason, we are taking every precaution to ensure enhanced safety and cleanliness measures have been put in place at all of our store.

We are proactively taking the following steps:

Customers cannot dine-in at our location but are still able to pick-up their orders.

We have implemented several enhanced cleanliness procedures in at our store, which include elevated cleaning practices and disinfecting protocols.

We have implemented an increased frequency of handwashing for all in store employees and delivery drivers.

We are advising employees who are sick or displaying symptoms to stay home.

We have established a task force to monitor the situation and ensure that we are making immediate adjustments as necessary.

We are closely following the direction of the Public Health Agency of Canada (PHAC) and Federal Agencies and Health Organizations.

We will continue to listen to advice, review the changing landscape and take immediate actions as necessary. As of today, we are confident that we can safely prepare and serve our meals to our community and will continue to do so, as long as it is right for the health and safety of our employees and customers.

Thanks you

Niagara Pizza
